The Conference Catcher: An Organized Journal for Capturing Ideas, Resources, and Action Items at Educational Conference, Trade Shows, and Events

Put an End to Post-Conference Procrastination!

The original Conference Catcher is the solution to post-conference procrastination. Never again will you experience lost conference notes, resources, and contacts. This simple yet powerful journal helps you organize all the details while you're attending the event so you can return home with an action plan to get the most value from your event experience.

Included are sections to capture:

- ◆ Conference Session Notes
- ◆ Brainstorming
- ◆ Sketching Space
- ◆ Key Contacts
- ◆ Action Items for You
- ◆ Action Items for Your Staff
- ◆ Resources
- ◆ Event Experience Notes

*The most
popular item
at your
next event!*

Also included are travel planning tips, checklists, and dozens of inspirational quotes. Best of all, this book also serves as an archive that you can refer to again and again in the coming years. Collect a series of journals for every event you attend and you will never again lose track of those big ideas or the fantastic people you want to connect with after the event is over.
